## Illinois Central College Health Science Application Scoring Guide

### REQUIRED ELIGIBILITY

Must meet all requirements listed in this section to be eligible for the program.

- **High school senior or high school graduate with a high school GPA 2.7 or higher on a 4.0 scale**  
(Requirement may also be met with 9 college credit hours with a grade of C or better, if student has GED or below the 2.7 GPA for high school.)
- **Cumulative College GPA 2.0 or higher**  
Cumulative GPA is calculated by all points earned between all colleges divided by hours attempted for all courses taken. (This requirement is waived for current high school seniors, if they do not have a college GPA established.)

\*All college transcripts must be submitted to ICC as part of the health science application process. Applicants who have earned college credit outside of ICC are required to have those transcripts sent directly to ICC. Applications will not be reviewed unless all transcripts are received before the health science application deadline.
